ICC Shipping Association  
The Shipping Corporation of India

Dear Sirs,

**Sub: Use of biodegradable fuel or CNG based  
Vehicle and E-Toll Payment Tag.**

-----

Ministry of Shipping has directed that as a part of the green field initiatives, all Ports may ensure that biodegradable fuel or CNG based vehicles only may be used inside the Port premises. Also, in order to facilitate smooth movement of vehicles at toll nakhas and also to facilitate cashless transaction, it is made mandatory for trucks entering the Port to be equipped with FASTAG (e-toll payment tag). This will help in faster movement of vehicles at different toll nakhas.

2. In view of the above, the transporters operating / visiting the Port are required to equip their transport fleet with e-toll payment tag as well as ensure their vehicle make use of biodegradable fuel or are CNG based.
3. All Transport Associations are requested to take note of the above and instruct the transporters to ensure compliance.

Yours faithfully,

Sd/-
