

No. DC/C- Cir / Launch Service / (2017)/ 4775

15.09.2017

To,

ALL LAUNCH / CATAMARAN OWNERS / OPERATORS
APOLLO BUNDER (GATEWAY OF INDIA)
NEW FERRY WHARF
BALLARD PIER

CIRCULAR

Sub: Operation of Catamaran / Launch Service

- At the request of public and port users using the facility at Apollo Bunder (Gateway of India) and Ferry Wharf, the request was examined and it has been decided to relax the restrictions of operations of launches at Apollo Bunder (Gateway of India) and Ferry Wharf from 2100 hours to 2330 hours.
- All Launch operators / owners were permitted to operate their launches from Gateway of India and Ferry Wharf upto 2100 hrs. Now it has been relaxed upto 2330 hrs. excluding Mandwa Route. The Launches / Catamaran of Mandwa Route may operate on existing schedule.
- Mumbai Port Trust with the help of Maharashtra State Security Corporation, are in the process of upgrading the security facility at Apollo Bunder and Ferry Wharf.
- No restriction to the operation from shore to ship operation from Ballard Pier.
- No restriction for Crafts / Launches operation from JNPT which is sanitized and monitored by CISF.
- The Port reserves the right to reject/alter/change/withdraw/discontinue the permission subject to safety and security or any other reasons in full or in part or stipulate additional

conditions if and when deemed necessary on the grounds of misuse, lack of compliance, act in bad faith and /or any grounds arising from time to time.

- This circular comes into effect from 01.10.2017.
