

No. DC/C-SH/2059

17.05.2010

To:

All Barge Owners,
Tug Boat Owners,
All Offshore Vessels,
Accommodation Barge Owners,
ONGC,
SCI.

CIRCULAR

All vessels are required to inform the port the purpose for their prolonged stay at anchorage and the reason for not vacating the harbour after the days requested for are completed / ended.

The port provides anchorages for services required and does not provide anchorages for prolonged lay ups. Where vessels do not have any need for anchorages and are just waiting for want of employment, they are required to vacate the harbour at the earliest.

In the meantime you are required to inform this office in writing, the actual manning of the vessel, condition of engines, and readiness at all times with enough fuel on-board to vacate the harbour on short notice.

(Capt. V.V.A. Pereira)
HARBOUR MASTER
