DOCKS DEPARTMENT

**EXTENSION OF PRESHIPMENT FACILITY AT MUMBAI PORT FOR RAW
SUGAR EXPORTS AT 13A / 13B ID**

No. TM/A/1522/2 of 1995-96

16th April 2007

Indian Sugar Exim Corporation Limited

Western India Shippers' Association, Mumbai.

Federation of Indian Export Organization, Mumbai.

Indian Merchants' Chamber, Mumbai.

President, Bombay Custom House Agents' Association, Mumbai.

President, Mumbai & Nhava-Sheva Container Terminal

Operators' Association, Mumbai.

President, Mumbai & Nhava-Sheva Ship Agents' Association, Mumbai.

President, Association of Multimodal Transport Operators of India.

The Shipping Corporation of India Ltd.

Sirs,

**Sub : Extension of preshipment facility
at Mumbai Port for raw sugar exports
at 13A/13B ID.**

.....

You are aware that the Port has granted pre-shipment facility for aggregation and storage of export cargo in many areas.

In view of the growing demand of storage space, it is decided to earmark Shed No.13A ID and open area at 13 ID as pre-shipment storage area for raw sugar consignment. To improve turnover of cargo in the shed as well as in the open area and to ensure proper utilization of cargo storage space and productivity of vessels, it is a condition that carting for such cargoes will be allowed only 12 days prior to the ETA of the vessel and such carting will be given on the ETA given by the Shipping Agent for a particular scheduled vessel.

This export promotion measure is being taken to attract more raw sugar exports. Wide publicity to avail the facility be given and bring more exports through Mumbai Port.

Yours faithfully,

(M.B.I.
