Sirs,

**Sub : Mechanised handling of bulk cement –
Non-applicability of stevedoring charges.**

Recently, some of the Port users have requested not to levy stevedoring charges for the mechanised handling of bulk cement, since there is no involvement of any port worker (On Board/ On Shore) in such operation.

2. The request has been examined and it has been decided not to levy stevedoring charges for the mechanised handling of bulk cement with immediate effect. No On Board / On Shore labour will be provided for such operation, similar to liquid vessels. However, all safety measures are to be adhered.
3. You are requested to give wide publicity amongst your members.

Yours faithfully,
