Sub: Deployment of Cleaners on vehicles
entering the docks

Sir,

Vide Circular No.TM/HD/2-2/977 of 2015-16 dated 16.09.2015, you were advised to ensure that all trucks/trailors/dumpers etc., entering the docks be manned with Cleaner. However, it is observed that in some of the cases Cleaners are not deployed on vehicles resulting in unsafe conditions and non-compliance of Safety rules. In some of the cases, Cleaners are observed to be not in possession of photo ID Card.

You are aware that movement of vehicles inside the dock premises without Cleaner is unsafe and the same has been pointed out by MbPT Safety Officer, time and again. However, there is not much of improvement in deployment of Cleaners.

In view of requirement of safety condition, you are hereby advised to ensure that every cargo vehicle entering the docks should have a Cleaner necessarily in the vehicle and he should be in possession of Government Photo ID Card like PAN Card, Passport, Election Card, Aadhar Card, Driving Licence, etc. for identity verification at the gate by CISF and smooth entry inside the docks.

Kindly note that no vehicle shall be permitted to enter the docks if there is no deployment of Cleaner on the vehicles. The above procedure shall be strictly put in force from 8.2.2016. You are requested to kindly inform your members to ensure compliance of the above directives.

Yours faithfully,

Sd/-
