Sub: Systematic improvements in overstay of vehicles  
and equipments inside port area.

1. Vehicle Date Slip (VDS):

Vehicle Date Slip (VDS) system was introduced to curb and penalize idle parking of vehicles in Docks.

2. One Day Vehicle/Equipment Dock Entry Permits:

Further Port Users can obtain vehicle Dock Entry Permits for vehicles/equipments (Vehicle DEP) from Gate for entry of vehicle/equipment. These can be taken for long term quarterly, half yearly and annually and if the vehicles are to stay docks in for longer period and then parking passes can be obtained as well for similar duration.

3. Recently, it has been noted that VDS facility is being misused to avoid parking charges. In view of the above following changes are being made w.e.f. 17.08.2023.

*“ Any equipment which leaves the Docks area, shall not be issued the VDS for same shift as well as next shift i.e. there has to be a gap of One shift for any equipment to get the VDS again after moving out of the Docks.”*

4. You are requested to give wide publicity amongst your members.
