NOTICE FOR INVITING OPEN TENDER

Tender No. : IPRCL/Mumbai/Genl/14

Date- 31/03/2017

Sub:- Tender Notice for the work of "Hiring of vehicles for official use of IPRCL Mumbai in the State of Maharashtra."

In order to stimulate overall growth of Port sector and contribute to economic growth of country, the Government of India has decided to establish a Special Purpose Vehicle (SPV), namely Indian Port Rail Corporation Ltd. (IPRCL) under the Ministry of Shipping as a joint venture company between the Major Ports under Ministry of Shipping and Rail Vikas Nigam Ltd (RVNL) under the Companies Act 2013. The purpose of the company is to provide efficient rail evacuation system to Major Ports and thereby enhance their cargo handling capacity, efficiency and throughput. The company would undertake projects involving last mile connectivity to Major Ports, modernization of evacuation infrastructure in Ports, operate and manage internal Port Railway system and raise financial resources for funding port related Connectivity Projects.

The Managing Director IPRCL/Mumbai, 4th floor, Nirman Bhavan, Mumbai Port Trust Building, M.P. Road, Mazgaon (E), Mumbai-400010, invites Open Tender under Single Packet System for engaging experienced Contractors in the domain of services given in the scope of the work' as per the terms and conditions mentioned in the Tender Document.

12  **CONFIDENTIALITY**

Information relating to evaluation of proposals and recommendations concerning awards shall not be disclosed to the Tenderer(s) who submitted the proposals or to other persons not officially concerned with the process.

13  **CHECK LIST**

The Tenderer(s) is requested to submit the tender documents and attachments to tender documents as per the details specified in the Tender document. Any deviation/omission
from above will be as per Tenderer(s)'s own risk.

The Tenderer(s) are requested to duly fill in the checklist. The checklist is only a reminder of certain important items, to facilitate the Tenderer(s). This, however, does not relieve the Tenderer(s) of its responsibility to make sure that his proposal is otherwise complete in all respects.

14 **Signature and Stamp of Bidder:**

14.1 **Period of Validity of Bids:** Bids shall be valid for a period of 90 days from the date of opening of the tender. The bid valid for a shorter period shall liable to be rejected by the employer as non-responsive.

14.2 **Deviations:** The tenderer should clearly read and understand all the terms and conditions, specifications, etc. mentioned in the original tender documents. If the tenderer has any observations, the same may be indicated in his forwarding letter along with the tender.

14.3 **Omissions & Discrepancies:** Should a tenderer find discrepancy in or omissions from any of the Tender Forms or should he be in doubt as to their meaning, he should at once notify the authority inviting tenders who may send a written instruction to all tenderers. It shall be understood that every endeavour has been made to avoid any error which can materially affect the basis of tender and successful tenderer shall take upon himself and provide for the risk of any error which may subsequently be discovered and shall make no subsequent claim on account thereof.

15 **Care in Submission of Bids:-**

a) the bidder is expected to examine all instructions, terms, conditions, forms and other information in the bidding document. Failure to furnish all required information in the bidding document or submission of a bid not substantially responsive to the bidding document in every respect will be at the bidder's risk and may result in rejection of his bid.

b) The bidder must obtain for himself on his own responsibility and his own cost all the information including risks, contingencies & other circumstances in execution of the work. He shall also carefully read understand all his
obligation & liabilities given in tender documents. The Bidder shall bear all the cost associated with the preparation and submission of its Bid, and the Employer shall not be responsible or liable for those costs, regardless of the conduct or outcome of the bidding process.

c) When work is tendered for by a firm or company of contractors, the tender shall be signed by the individual legally authorized to enter into commitments on their behalf.

d) It shall be deemed that by submitting a Bid, the bidder has:

1. Made a complete and careful examination of the Bidding Documents and has fully acquainted himself as to all conditions and matters which may in any way affect the work or the cost thereof.

2. Acquainted himself with Government taxes, laws, statute, regulations, levies and other charges relating to scope of work.

3. Received all relevant information requested from IPRCL;

4. Accepted the risk of inadequacy, error or mistake in the information provided in the Bidding Documents or furnished by or on behalf of IPRCL relating to any of the matters relating to the bid;

5. Tenderer should submit the original documents for EMD, Tender Document Fees for claiming exemption from payment of tender form Fees/EMD in Managing Director/IPRCL/Mumbai's Office before Opening of tender. The offers of those who fail to submit above original documents before opening of tender are liable to be rejected.

16. **Dead line for submission of tender**: The bidder must ensure submission of offer before the closing time as the tender submission shall stop accepting the offer after the stipulated time. Incomplete offers will not be valid for consideration.
17 **Modification/Withdrawal of offer:** Bidder can any time change/modify his offers before end of tender submission time. However, no offer shall be modified or withdrawn by the bidder draft the end of bid submission time. Withdrawal of an offer during the interval between end of tender submission time and expiry of the offer validity period would result in forfeiture of the EMD.

18 **Disqualification of the offers:**

   a. No tenderer is permitted to canvass to Employer on any matter relating to this tender. Any tenderer found doing so may be disqualified and his bid may be rejected.

   b. Tenderer may carefully note that his bid is liable to be disqualified at anytime during tendering process, if it is discovered at any point of time that the tenderer has suppressed any fact or given false statement or has done misrepresentation or fraud or has violated any of the terms, and the offer will be cancelled by IPRCL. In addition, the EMD of such tenderer shall be forfeited. In such an event, the tenderer will not be entitled to any compensation whatsoever, or refund of any other amount paid by him and tenderer shall be debarred for a period of two years for participation in all future projects of IPRCL. The decision of Employer in this respect shall be final and binding.

   c. IPRCL may terminate the Contract or disqualify the tenderer if it is found that the tenderer is black listed by any of the Government Departments / Institutions/Local Bodies/Municipalities /Public Sector Undertaking etc. during previous 3 years before the date of bid closure.

   d. The bidder shall submit only one bid in the capacity of an individual or sole proprietor, partnership firm or company. Violation of this condition is liable to disqualify the tenders in which bidder has participated and EMD of all such tenderers shall stand forfeited.

19 **FRAUD PREVENTION & DETECTION POLICY OF IPRCL:**

   a) Representative of vendors, suppliers, contractors, service providers or any other agency (ies) doing any type of business with the company, is expected and shall be responsible to ensure that there is no fraudulent act being committed in their areas of responsibility/ control. As soon as it is learnt that a fraud or suspected fraud has taken or is likely to take place they should immediately apprise the same to the concerned authority as per the procedure.
(b) All the bidders shall be required to certify that they would adhere to the Fraud Prevention & detection Policy of Company and not indulge or allow anybody else working in their organization to indulge in fraudulent activities and would immediately apprise the organization of the fraud/ suspected fraud as soon as it comes to their notice.

20 Opening of the tender: Tenders will be opened on time at the address mentioned in "Notice Inviting Tender" in presence of tenderers or authorized representatives of tenderers who wish to attend the opening of tenders. Tenderers or their authorized representatives who are present shall sign register in evidence of their attendance.

21 Preliminary examination of bids

21.1 The Employer shall examine the bids to determine whether they are complete, whether any computational errors have been made and whether the bids are generally in order.

21.2 In case of discrepancy/Arithmetical error, if any, found between the unit price and the total price, which is obtained by multiplying the unit price and quantity, or between subtotals and the total price, the unit or subtotal price shall prevail, and the total price shall be corrected accordingly.

21.3 Prior to the detailed evaluation, Employer shall determine whether each bid is of acceptable quality, is generally complete and is substantially responsive to the bidding documents. For purpose of this determination, a substantially responsive bid is one that conforms to the terms, conditions and specifications of the bidding documents without material deviations, objections, conditionality or reservation. A material deviation, objections, conditionality or reservation is one:

i) That affects in any substantial way the scope or performance of the contract,

ii) That limits in any substantial way, inconsistent with the bidding documents, the Employer's rights or the successful Bidder's obligations under the contract; or

iii) Whose rectification would unfairly affect the competitive position of other Bidders who are presenting substantially responsive bids.
If a bid is not substantially responsive, it shall be rejected by the Employer.

21.4 In case of tenders containing any conditions or deviations or reservations about contents of tender document, Employer may ask for withdrawal of such conditions/deviations/reservations. If the tenderer does not withdraw such condition/deviation/reservations, the tender shall be treated as non responsive. Employers decision regarding responsiveness or non-responsiveness of a tender shall be final and binding.

22 Clarification on the tendered bids

To facilitate the examination, evaluation and comparison of the tenders, the Employer may at his discretion ask the tenderers for any clarifications as considered essential. All such correspondence shall be in writing and no change in price or substance of the tender shall be sought or permitted. The above clarification for submission of the details shall form part of the tender and shall be binding on tenderer.

23 Evaluation and comparison of tenders

13.2 **Powers of Modification To Contract**: The Engineer on behalf of the IPRCL shall be entitled by order in writing to enlarge or extend, diminish or reduce the works or make any alterations in their site, quantities, or to order any additional work to be done or any works not to be done and the contractor will not be entitled to any compensation for any increase/reduction in the quantities of work but will be paid
only for the actual amount of work done and for approved materials supplied against a specific order.

13.3 Unless otherwise specified in the Special Conditions of the Contract, the accepted variation in quantity of each individual item of the contract would be up to 100% of the quantity originally contracted. Contractor shall be bound to carry out the work agreed rates and shall not be entitled to any claim or any compensation whatsoever up to the limit of 50% variation in quantity of each item.

13.4 Valuation Of Variations: The enlargements, extensions, diminution, reduction, alterations or additions referred to in Clause 13.2 above shall in no degree affect the validity of the contract; but shall be performed by the Contractor as provided therein and be subject to the same conditions, stipulations and obligations as if they had been originally and expressively included and provided for in the Specifications and the amounts to be paid therefor shall be calculated in accordance with the accepted Schedule of Rates. Any extra items/quantities of work falling outside the purview of the provisions of Clause 13.2 above shall be paid for at the rates determined mutually.

13.5 Variations in Quantities During Execution of Contracts The procedure detailed below shall be adopted for dealing with variation in quantities during execution of works contracts:

1. Individual NS items in contracts shall be operated with variation of plus 50% and payment would be made as per the agreement rate. For this, no finance concurrence would be required.

2. Execution of quantities beyond 150% of the overall agreement value should not be permitted and, if considered unavoidable, the same shall be got executed by floating afresh tender. If floating afresh tender for operating that items is considered not practicable, quantity of that item may be operated in excess of 150% of the agreement quantity subject to negotiating with existing contractor, with prior concurrence of Associate Finance and approval of competent authority.

3. In cases where decrease is involved during execution of contract:
(a) The contract signing authority can decrease the items up to 25% of individual item without finance concurrence.

(b) For decrease beyond 25% for individual items or 25% of contract agreement value, the approval of competent authority may be taken, after obtaining 'No Claim Certificate' from the contractor and with finance concurrence giving detailed reasons for such decrease in the quantities.

(c) It should be certified that the Qty. proposed to be reduced will not be required in the same work.

4. Variations in the quantities will be approved by the accepting authority who have accepted the contract subject to the condition that the revised value of the agreement lies within his powers of acceptance.

5. The aspect of vitiation of tender with respect to variation in quantities should be checked and avoided. In case of vitiation of the tender (both for increase as well as decrease of value of contract agreement), sanction of the competent authority as per single tender should be obtained.

14.0 CLAIMS

14.1 Monthly Statement of Claims: The Contractor shall prepare and furnish to the Engineer once in every month an account giving full and detailed particulars of all claims for any additional expenses to which the Contractor may consider himself entitled to and of all extra or additional works ordered by the Engineer which he has executed during the preceding month and no claim for payment for and such work will be considered which has not been included in such particulars.

14.2 Signing of "No Claim" Certificate: The Contractor shall not be entitled to make any claim whatsoever against the IPRCL under or by virtue of or arising out of this contract, nor shall the IPRCL entertain or consider any such claim, if made by the Contractor, after he shall have signed a "No Claim" Certificate in favour of the IPRCL in such form as shall be required by the IPRCL after the works are finally measured up. The Contractor shall be debarred from disputing the correctness of the items covered by "No Claim" Certificate or demanding clearance to arbitration in respect thereof.
15 Measurements Certificates and Payments:

15.1 Quantities in Schedule Annexed to the Contract: The quantities set out in the accepted Schedule of Rates with items of works quantified are the estimated quantities of the works and they shall not be taken as the actual and correct quantities of the work to be executed by the Contractor in fulfilment of his obligations under the contract.

15.2 Measurement of Works:

It will be in accordance with the rules prescribed for the purpose by the IPRCL. The quantities for items, the unit of which in the accepted Schedule of Rates is 100 or 1000 shall be calculated to the nearest whole number, any fraction below half being dropped and half and above being taken as one; for items the unit of which in the accepted Schedule of Rates is single, the quantities shall be calculated to two places of decimals. Such measurements will be taken of the work in progress from time to time and at such intervals as in the opinion of the Engineer shall be proper having regard to the progress of works. The date and time on which 'on account' or 'final' measurements are to be made shall be communicated to the Contractor who shall be present at the site and shall sign the result so of the measurements (which shall also be signed by the Engineer or the Engineer's representative) recorded in the official measurements book as an acknowledgement of his acceptance of the accuracy of the measurements. Failing the Contractor's attendance, the work may be measured up in his absence and such measurements shall, notwithstanding such absence, be binding upon the Contractor whether or not he shall have signed the measurement books provided always that any objection made by him to measurement shall be duly investigated and considered in the manner set out below:

(a) It shall be open to the Contractor to take specific objection to any recorded measurements or Classification on any ground within seven days of the date of such measurements. Any re-measurement taken by the Engineer or the Engineer's representative in the presence of the Contractor or in his absence after due notice has been given to him in consequence of objection made by the Contractor shall be final and binding on the Contractor and no claim whatsoever shall thereafter be entertained regarding the accuracy and classification of the measurements.
If an objection raised by the Contractor is found by the Engineer to be incorrect, Contractor shall be liable to pay the actual expenses incurred in measurements.

16.1 "On-Account" Payments: The Contractor shall be paid for the works at the rates in the accepted Schedule of Rates and for extra works at rates determined mutually on the measurements taken by the Engineer or the Engineer’s representative. The Contractor shall be entitled to be paid from time to time by way of "On-Account" payment only for such works as in the opinion of the Engineer he has executed in terms of the contract. All payments due on the Engineer or the Engineer's Representative's certificates of measurements shall be subject to any deductions which may be made under these presents and shall further be subject to, unless otherwise required under these Conditions, a retention of ten percent, by way of Security Deposits, until the amount of Security Deposit by way of retained earnest money and such retentions shall amount to 5% of the total value of the contract provided always that the Engineer may by any certificate make any correction or modification in any previous certificate which shall have been issued by him and that the Engineer may withhold any certificate, if the works or any part thereof are not being carried out to his satisfaction.

16.2 Rounding Off Amounts: The total amount due on each certificate shall be rounded off to the nearest rupee, i.e. sum less than 50 paise shall be omitted and sums of 50 paise and more upto Rs.1 will be reckoned as Rs.1.

16.3 Manner of Payment: Unless otherwise specified payments to the Contractor will be made by NEFT/RTGS.

16.4 Income Tax:

Income Tax as per rates applicable/amended under the Income Tax Act of work shall be deducted at source unless the contractor is exempted by Income Tax Authorities.

16.5 Statutory Increase in Duties, Taxes etc.:
All the taxes and duties, except Service Tax, levied by the State and Central Govt. and by Local Bodies at the prevailing rates applicable on the date of receipt of NIT shall be fully borne by the Contractor and shall not be reimbursed to him on any account. The tender shall be inclusive of all taxes/levies except service tax.

IPRCL shall pay the Contractor, Service tax payable as per the applicable valuation Rules determined by Service Tax Authorities, from time to time. IPRCL shall compensate the contractor for any further Service Tax payable occasioned due to subsequent changes in valuation Rules. Proof of having deposited the Service Tax shall be furnished by the Contractor to IPRCL at regular interval (before/along with then ext. bill).

The IPRCL authorities will not take any responsibility of refund of such taxes/fees. Any violation, in the legal provision of taxes, duties, permits and fees, carried out by the Contractor and detected subsequently shall be sole responsibility of the Contractor and his legal heirs.

IPRCL shall reimburse to the Contractor any additional tax that may become payable due to change in the applicable Law or due to Law/s that may get enacted during the tenure of the Contract from the date such taxes become payable. Such payment shall be made by the Contractor within the time specified in the Law and reimbursed on satisfactory production of evidence thereof to IPRCL.

17.1 Withholding and lien in respect of sums claimed: whenever any claim or claims for payment of a sum of money arises out of or under the contract against the contractor, the IPRCL shall be entitled to withhold and also have a lien to retain such sum or sums in whole or in part from the security, if any, deposited by the contractor and for the purpose aforesaid, the IPRCL shall be entitled to withhold the said cash security deposit or the security if any, furnished as the case may be and also have a lien over the same pending finalization or adjudication of any such claims. In the event of the security being insufficient to cover the claimed amount or amounts or if no security has been taken from the contractor, the IPRCL shall be entitled to withhold and have a lien to the extent of the such claimed amount or amounts referred supra, from any sum or sums found payable or which at any time thereafter may become payable to the contractor under the same contract or any other contract with this or any other IPRCL or
any deptt. Of the Central Government pending finalization or adjudication of any such claim.

It is an agreed terms of the contract that the sum of money or moneys so withheld or retained under the lien referred to above, by the IPRCL will be kept withheld or retained as such by the IPRCL till the claim arising out of or under the contract is determined by the arbitrator (if the contract governed by the Arbitration clause) or by the competent court as the case may be and that the contractor will have no claim for interest or damages whatsoever on any account in respect of such withholding or retention under the lien referred to supra and duly notified as such to the contractor. For the purpose of this clause, where the contractor is a partnership firm or a limited company, the IPRCL shall be entitled to withhold and also have a lien to retain towards such claimed amount or amounts in whole or in part from any sum found payable to any partner/limited company, as the case may be whether in his individual capacity or otherwise.
