CIRCULAR

Sub: Discharge of Lubes at Pir Pau.

With immediate effect all lube oil cargoes will be handled only at the Old Pir Pau berth. If for any reason the vessel cannot be regulated to the Old Pir Pau Berth, the Lube Oil may be discharged at the New Pir Pau jetty. However, the vessel so discharging would have to give a rate of 300 to 350 KL Per Hour throughput by giving at least two lines for discharge of the cargo.

2. The Port reserves the right to direct a vessel to any of the Pir Pau berth and/or shift the vessel from one berth to other, as per the operational requirements of the Port.

DEPUTY CONSERVATOR
