CIRCULAR

To,
(As per list attached)

Sirs,

Sub: Motor Cycles idling in the Docks.

Ref: (i) Circular No. TM/D/4-3/16 dated 11.09.2019.
(ii) Circular No. TM/D-4/18 of 2019-20 dated 27.09.2019.

By referred circular dated 11.09.2019, it was informed about revision of Scale of Rates (SOR) and that new rates will be applicable w.e.f. 03.10.2019. Further, by referred circular dated 27.09.2019, modalities for issuance of Permits for Buses, Mini Buses, Passenger Vans and Motor Cycles were informed.

2. As stated in the referred circular dated 27.09.2019, application for issuance/ renewal of dock entry permit to motor cycles is required on company's letterhead, duly signed by the authorised signatory.

3. It is reported that some of the motor cycles (two wheelers) are idle parked in the Docks and on mere visual inspection it can be stated that these are not used from long time. You will appreciate that such idle parking in Docks is not desirable.

4. It is therefore requested that your members be kindly advised to remove such idling two wheelers on payment of requisite up to date charges, if not paid. Charges can be paid at Dock Entry Permit Section, First floor, Shramik Bhavan, Near New Yellow Gate, Indira Dock, Carnac Bunder, P. D'mello Road, Mumbai - 400 009

5. Your kind cooperation in this regard is requested.
