Sir,

Sub: Pre-shipment facility for storage of  
export cargo and nomination of areas  
under Section 3.3(A)(ii) of Scale of  
Rates.

-----

Vide various circulars issued in the past, certain storage areas were nominated inside the docks as well as in the outlying areas as pre-shipment storage facility for aggregation and storage of export cargoes including vehicles, prior to shipment. At these pre-shipment storage sites, export cargoes are permitted storage with 30 free days, whereafter demurrage is leviable. In addition to this, certain areas were also nominated for storage of cargo on recovery of licence(storage) fees in terms of Section 3.3(A)(ii) of the Scale of Rates.

Due to increase in demand of storage areas for export cargo as well as import cargo, the following additional areas are notified/specified for storage of export cargo as well as import cargo:

- (i) Cotton Avenue **(for export vehicles)**
- (ii) Frere Basin Shed No.3,5 & 6
- (ii) Frere Basin Warehouse
- (iv) Shed at Hay Bunder, adjacent to North Gate

You are requested to give wide publicity amongst your members to avail of the facility.

Yours faithfully,

**(R.N. SHAIKH)**
