

CENTRE OF EXCELLENCE ON ESG & CIRCULARITY

Sustainability House, Goa Street, Ballard Estate, Mumbai - 400001

Recruitment Notice

Position: Environmental Associate

The 'Centre of Excellence on ESG and Circularity', established under Mumbai Port Sustainability Foundation, a not-for-profit entity incorporated under Section 8 of the Companies Act is helping organisations to identify and address their ESG risks and embrace a circular economy, green energy to improve overall sustainability of business operations. The MPSF is headquartered at Ballard Estate, Fort, Mumbai-400001 and engaged in facilitating Ports and Maritime organisations in identifying resource conservation opportunities, planning their climatic resilience and adoption strategies, identifying and addressing Environmental, Social & Governance risks, carbon management/ carbon budgeting, shifting towards green fuel/ green energy, GHG minimization, GHG removal/sequestration etc. to achieve carbon neutrality. In addition, the MPSF is also facilitating organisations in meeting their regulatory requirements.

The CoE/ MPSF is looking for an experienced and skilled professional with a strong background in management of environment, forests and wildlife along with thorough knowledge of project clearance procedures followed under various environmental regulations by State and Central authorities, preparation of CDM proposals, implementation of circular economic principles and waste minimization mechanisms, resource conservation and recycling, waste management, GHG accounting, climatic adaptation and resilience, level and mechanism of various environmental compliances, procedures of consents and authorisations/ permissions issued by State Pollution Control Boards, State and Central Coastal Zone Management Authorities, State and Central Forest and Wildlife Authorities etc.

What we need:

- The ideal candidate will have a minimum 5 years post-graduation experience in the above field and be proficient in working on computers.
- Excellent written and verbal communication skills.
- Strong analytical and problem-solving skills.
- Excellent teamwork ability to work as a team member as well as team leader.
- Ability to work under pressure and meet timelines.
- Strong project management ability.

What We Offer:

- Competitive salary and benefits package
- Opportunity to work on high-profile projects and make a positive impact on the environment
- Collaborative, horizontal and dynamic work environment
- Professional development and growth opportunities
