Sir,

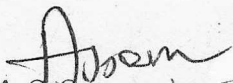

Sub. : Remedial measures for removal of unsafe practices/  
conditions during Cargo handling operations.

In order to ensure proper measures for preventing unsafe practices/conditions/accidents during cargo handling operations, it is requested to adhere to the following measure :

“All the workers engaged in loading or unloading operation in the docks shall not to remain or enter in the swinging path of the suspended load and should remain more alert at the work from any unexpected swing due to listing of vessel. They should always follow the safe work practices.”

You are requested to give wide publicity amongst your members for compliance of the above safety measure.

Yours faithfully,

  
(A.S. Sengar)
