Sub: Implementation of Access Control System (ACS)

Mumbai Port Trust has operationalized the Access Control System (ACS) for automation of processes and online generation of visitor permits and automation of vehicle registration module.

As part of this system, all the visitors for the Docks/Stream/JD/PP are required to enroll themselves once in the Access Control System.

Visitor Permit will not be issued without AADHAR Enrollment No. Enrollment facility is available at Permit Section with original / copy of AADHAR.

Online permit facility will be available only for registered Companies through their respective signatory Logins. Signatories are requested to get their Login credentials through Permit section.

Company Signatories can visit Access Control Web site <https://acs.mbptedi.gov.in> and avail online facility for online permit and payment.

In this regard you are requested to:

- Forward to the Asstt. Traffic Manager, Permit Section, Shramik Bhavan, current e-mail ID, Phone No. & GSTIN of the registered company for sending company login required for accessing the new system.
- Direct your authorized signatories for AADHAR enrollment at Permit Section which will enable them to generate Permit online.
- Those companies which are not registered with MbPT are required to be registered with MbPT.

Training will be conducted by M/s.Wipro at Ambedkar Bhavan, 3rd floor @1500hrs on 30th July 2019, 6th Aug.2019, 20th Aug. 2019 and 27th Aug. 2019.

You are requested to give wide publicity in this regard amongst your members.
