Sirs,

**Sub: Pre-shipment facility for storage
of export cargo.**

Vide various circulars issued in the past, certain storage areas were nominated inside the docks as well as in the outlying areas as pre-shipment storage facility for aggregation and storage of export cargoes including vehicles. At these pre-shipment storage sites, export cargoes are permitted storage with 30 days, whereafter demurrage is leviable.

Due to increase in demand of storage areas for export cargo, area admeasuring approximately 12,000 sqm. at Gamadia Complex in docks is notified/specified for storage of iron and steel slabs and coils.

You are requested to give wide publicity amongst your members to avail of the facility.

Yours faithfully,

(R.N. SHAIKH)
