

No. : DC/C-SH/887

03.03.2010

To,

ALL CONCERNED

CIRCULAR

With immediate effect, vessels will be berthed/unberthed at 19 Harbour Wall, ID under the following conditions, during night hours :

- (i) Vessels to be berthed with 18 Harbour Wall kept vacant whilst stemming the ebb tide.
- (ii) Vessels sailing out of 19 Harbour Wall during hours of darkness will be sailed out heading the flood time with 18 Harbour wall vacant.
- (iii) If there is a vessel at 18 Harbour Wall, then the combined beam of the ship at 18 Harbour Wall and the vessel leaving 19 Harbour Wall should not exceed 150 feet.
- (iv) The above guidelines will be reviewed after a period of 3 months. Docking and undocking at Harbour Wall during daylight hours will continue as per guidelines presently in force.
