Sirs,

Sub: Pre-shipment facility for storage of Iron & Steel exports.

Vide various circulars issued in the past, certain storage areas were nominated inside the docks as well as in the outlying areas as pre-shipment storage facility for aggregation and storage of export cargoes including vehicles. At these pre-shipment storage sites, export cargoes are permitted storage with 30 free days, whereafter demurrage is leviable.

2. Due to increase in demand of storage areas for iron and steel cargo, shed area at BPX North Hall in dock is notified/specified for storage of Iron and Steel with condition that carting will be allowed 12 days before the ETA of the vessel, loading full quantum Iron and Steel consignments.

3. You are requested to give wide publicity amongst your members to avail the facility.

Yours faithfully,

(R.N. SHAIKH)
