Dear Sirs,

**Sub : Rebate in stevedoring charges for handling of
bulk cargo on account of non supply of GPMs.**

Mumbai Port has been handling bulk cargo through vessels and has been providing shore gangs as well as OBL workers including General Purpose Mazdoors (GPMs), for handling of bulk cargo. However, in the recent past, due to unavailability of GPM, Mumbai Port has been unable to supply the GPMs for vessel operations.

2. The agents have been reluctant to deploy private labours on wharf in place of GPMs for the reason of not getting any rebate in stevedoring charges for utilizing the private labour and also utilizing manpower on their part to fulfill the shortfall in supply of GPMs results in rise in cost of cargo handling charges

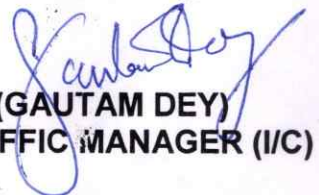

and increases cost to Trade and therefore MbPT has to incur the expenditure towards wages.

3. With a view to provide relief to the agents on the expenditure for engaging private labour, Board has accorded approval to extend 6.7% rebate on stevedoring charges of a hook to Vessel agents on handling bulk cargo by use of private labour on shore, when port is unable to provide GPM for hooking / unhooking on shore.

4. The scheme will be valid for a period of six months from 01.05.2021.

5. You are requested to give wide publicity amongst your members and handle more cargo by vessels through Mumbai Port.

Yours faithfully,

(GAUTAM DEY)
TRAFFIC MANAGER (I/C)
