Sirs,

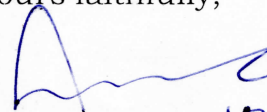

Sub: Supply of Gears/Equipments/Water

During the last few years, there has been a drastic reduction in indenting of MbPT gears/equipments with Traffic Department by the Vessel Agents. Henceforth, Port users desiring to use MbPT Gears/Equipments will send the requisition directly to Supdt, Mechanical and Electrical Engineering Department (M.E.E.D)

2. In order to facilitate "ease of doing business", Port Users desiring to avail Fresh Water Supply from MbPT shall directly apply to Astt. Executive Engineer, General Works Southern Division (GWSD), Water Supply Section, for their requirement of water supply, subject to advance payment of Port Trust charges as per rates mentioned in the SOR.

You are requested to give wide publicity amongst your Members.

Yours faithfully,

(A.K. Bose)
Traffic Manager
