Dear Sirs,

**Sub : Removal of waste materials viz. waste plastic sheets, Tarpaulins, wooden scrap while clearance of import/export cargo**

It is observed that a large quantity of waste materials viz. waste plastic sheets, Tarpaulins, wooden scrap etc. received alongwith import/export cargo are left behind after clearance/shipment of Import/Export cargo respectively. This is creating unhygienic condition and gives shabby look in the Dock area and also causes hindrance in storage of fresh EXIM cargo. Further, this puts avoidable strain on limited Port resources for cleaning / removal of such waste materials from Docks.

2. All the Custom House Brokers (CHBs)/Importers/Exporters are requested to ensure removal/clearance of such waste materials alongwith clearance/shipment of Import/Export cargo, failing which a penalty of Rs.5000/- per Metric Ton will be levied.

3. You are requested to give wide publicity amongst your members for strict compliance of the above.

Yours faithfully,

TRAFFIC MANAGER
