No. FA/PEN/Physical Verification/ 278

12 FEB 2021

**ALL HEADS OF DEPARTMENTS**  
**ALL HEADS OF DIVISIONS**

## **CIRCULAR**

Sub: Physical verification of pensioners by using services of  
Postal Agencies- reg.

-----  
A decision has been taken to verify physical existence of Mumbai Port Trust pensioners spread all over India. Under the express directives of Chairman, Finance Department approached the Office of the Chief Postmaster General, Maharashtra Circle, Mumbai for assistance. The Postal Department have agreed to complete the verification process of all pensioners possibly before 31<sup>st</sup> March 2021. Each pensioner is required to initially pay a charge of Rs.70/- to the Postman visiting their door-step which will be reimbursed to him/her on receipt of successful completion of report.

2. To facilitate the process, necessary data of all the pensioners have been shared with the Postal Department. SMS have been sent to the pensioners on the registered mobile numbers, informing them about the physical verification process which will be done biometrically by the Postman. They have also been informed to initially pay Rs.70/- for the verification which will be reimbursed to them. Since it is an independent exercise all pensioners are requested to get the verification done even if DLC done or Life Certificate sent earlier.

3. In order to accomplish the task successfully and in-time, all the Departments/Divisions are requested to kindly spread awareness amongst the Pensioners for extending co-operation to the postal officials to carry out the verification smoothly.
