Dear Sirs/Madam,

**Sub : Reconstruction of Nawab Tank Over
Bridge (NTOB) at Mazgaon.**

Further to this office circular dated 15th June 2010, this is to inform that the subject work is still in progress. The old NTOB has already been dismantled and a part of the girder at South end has been retained to support existing essential utilities like water main, L.T. Cable etc. till completion of New NTOB.

3. All port users are, therefore, requested to use the Mallet Bunder junction, Muzawar Pakhadi Road via Mazgaon Dock and to Link Road to avoid damage and disruption of water and electricity supply to quarters at Mazgaon till commissioning of the new NTOB.

Yours faithfully,

(M.B.I. KAZI)
