## CIRCULAR

This is to inform all that No "Cold Moves" (movements of dumb barges), which require the services of Port Pilots and Tugs will be allowed during the monsoon period. The only exception would be when there is a definite "lull" during which period the port and harbour experiences flat calm sea and no rain for small dumb barges and small crafts only. No ships will move as COLD MOVE during monsoon months from 01.06.2020 to 15.09.2020.

The Chart datums are provided to one and all every month and the regular updates of maximum drafts allowed is made continually at the O.G. meetings. These declarations are to be treated as official. Deviation may be considered on merit taking into account ship size, weather conditions, ship's performance and equipment for speedy discharge.
