Sub : Generation of Vessel Call Number (VCN).  
-----

With immediate effect, representatives of the above organisations/agencies are hereby informed that whilst generating the VCN, the vessel is to be registered by name only without any pre-fix since the type of vessel is already covered later in the VCN application format.

Futhermore when any services are required, the VCN number must be entered, failing which services may be denied.

Your co-operation in this regard will go a long way in helping to achieve a faster, smoother system of operations.
