DOCKS DEPARTMENT

PROCEDURE FOR HOT WORKS / REPAIRS CARRYING OUT ON THE VESSEL

1. After making berthing application and after payment of berth hire charges due, vessel Agent seeks permission for carrying out hot works/repairs to the vessel.
2. For hot works involved in cargo clearance, application is made by the importer/exporter/CHA.
3. Application for hot works should invariably be made along with the permission from Port Safety & Fire Officer, MbPT in the prescribed format, to Deputy Manager, ID/P&V Docks.
4. Permission is granted till the date of payment of berth hire charges/till the date permission is granted by Port Safety & Fire Office, which ever is earlier.
